Rebuilding Together—Calcasieu

Mission:

Rebuilding Together—Calcasieu (RTC) is an affiliate of the nation's largest volunteer rehabilitation program, Rebuilding Together. Our mission is to bring volunteers and communities together to improve the homes and lives of low-income homeowners, particularly the elderly and disabled. Our mission allows homeowners to live in a safe, secure, and weatherproof home. We are one of over 200 affiliates representing all 50 states and renovating homes in over 800 cities and towns across America. Locally Rebuilding Together—Calcasieu has renovated over 400 homes since 1992 with the help of volunteers like you.

Who Sponsors RTC?

The spirit of volunteerism, combined with a variety of resources including individuals, matching gift campaigns, corporations, foundations, and in-kind donations is what “fuels” RTC’s accomplishments! Every dollar spent is leveraged with at least \$4 in donated goods and services.

How are Homeowners Selected?

Homeowners must be low-income, own their own home, and live in Calcasieu Parish. Referrals come to Rebuilding Together—Calcasieu through various churches, service groups, and word of mouth. Once an application is received and approved for the program; a home visit is made after which the board, staff, and sponsors determine whether the applicant meets the eligibility criteria and is within our scope and ability of our volunteers.

How Can I Help?

RTC takes its cue from the old fashioned idea of “barn raising,” with many hands coming together to make light work. This program is a success because it has been built on the philosophy of “neighbors helping neighbors.”

Anyone Can Volunteer!

High school/college students, business executives, bankers, lawyers, and administrative staff work side-by-side in teams with carpenters, plumbers, electricians, roofers, and other skilled trades people who donate their time.

Volunteer Committee Opportunities:

- Emergency Repair Team
- Home Inspectors Team
- Scrape N Paint Team
